Subject: Re: Letter from the Leader

Dear Caroline

Thanks for your letter this evening. I am unaware of any outstanding requests for meetings regarding our Local Plan and would appreciate clarification on your assertion.

Eastleigh's Local Plan is fully evidence based. The Council is not taking a decision on the Plan tomorrow but simply publishing a work in progress to give clarity to our local communities on our direction of travel and to enable discussion with key partners such as your Council ahead of decision making later in the year.

I would be grateful if you would make this clear to your Council as this point is clearly made in our Cabinet Report.

Yours sincerely

Keith House
