

F BISHOPSTOKE FOCUS

January
2018

LIBERAL
DEMOCRATS

Tackle congestion • schools and GPs • block merger with Southampton

Fighting for Bishopstoke

Thanks to everyone who has got in touch after our last FOCUS opposing building across all of the greenfields between Bishopstoke and West End, merging us with Southampton.

We were surprised when local Conservative MPs, including Mims Davies, called on the Borough Council urging more work on a plan that would create an urban sprawl and come with no infrastructure improvements and with **MORE** road gridlock.

Your Lib Dem campaigners are standing up to lobbying from

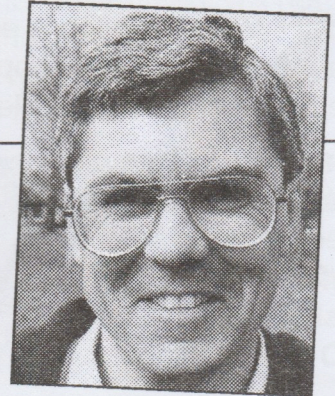

"NO" to Bishopstoke being swallowed up into urban sprawl with Southampton: Lib Dems say "save our villages!"

pressure groups like 'ADD' that would result in thousands of extra houses but no real improvements to tackle traffic.

Your Lib Dem team's priorities:

- **BLOCK** plans that would merge Bishopstoke with West End and the City.
- **TACKLE** road congestion with a new road link to the M3.
- **DELIVER** the schools and GP surgeries we need.
- **MEET** the real housing need of the current and next generation.

Cllr Trevor Mignot writes -

Welcome to the first **FOCUS** of 2018! There's a lot for us to do this year, from fighting on planning to battling on traffic issues.

But most of all your Lib Dem team is here to take up **YOUR** issues, so get in touch with anything that concerns you.

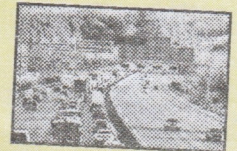

Happy New Year!

The local winners!
